## Content Categories

**How To Read:** This section provides information about how the student performed in different areas of knowledge or skill assessed by this test. Results indicate the amount of points the student earned in each content category, compared to the total number of points possible in the same category.

Content Category	Points Earned	
<a href="#">Listening Vocabulary K</a>	2 / 3	<div style="width: 66%;"></div>
<a href="#">Listening Comprehension K</a>	0 / 9	<div style="width: 0%;"></div>
<a href="#">Speaking Vocabulary K</a>	1 / 4	<div style="width: 25%;"></div>
<a href="#">Speaking Discourse K</a>	0 / 4	<div style="width: 0%;"></div>
<a href="#">Lang.of Instruction/Social K</a>	1 / 5	<div style="width: 20%;"></div>
<a href="#">Lang.of Math/Science K</a>	1 / 7	<div style="width: 14%;"></div>
<a href="#">Lang.of ELA/SocStudies/Arts K</a>	1 / 8	<div style="width: 12.5%;"></div>

## Individual Questions

**How To Read:** This section provides information about how the student performed on each question from the test. Clicking on a row will display the full question as it appeared on the test. A question sequence will skip numbers because the report does not list item screens for directions or graphics. Questions which display zero "points earned" when the student got the correct answer are either sample or field test items. Teacher Scored Items that are field tested do not appear.

### Section 1 - Listening and Speaking Vocabulary
